TREMOL SP03

TREMOL SP03 is a computer-based fiscal cash register (ECR) that combines an 8-inch touchscreen, customer display, built-in printer, contactless card payments via SoftPOS applications, and Android OS.
TREMOL SP03 is designed for restaurants, cafés, boutiques, mobile retail stands, festivals, and other businesses that require both stationary and on-the-go operation.
The device supports contactless card payments and offers 4G, Wi-Fi, and Bluetooth connectivity, allowing it to adapt to a wide range of business processes and working environments.
TREMOL SP03 allows the installation of additional specialized software to meet specific business needs.
Compliant with the latest requirements of Ordinance No. H-18 of the Ministry of Finance of the Republic of Bulgaria.

Characteristics
