

TREMOL Z-KL-V2

Description

A large cash register, preferred by retailers, warehouses and large shops with very big workload. Also on high demand on some of our export markets due to customer's perception for cash register.

Value for price

Multifunctional cash register equipped with all known interfaces. The bigger paper roll container fits 48 mm diameter thermal paper. The most important advantage are the 10 departments with direct access. All fiscal devices with Bluetooth have application for OS Android, which enables the customer to control the devices directly from smart phone or tablet.
