

TREMOL ZM-KL-V2

Description

The low cost solution for medium size cash register. Its functionality and the usage of all interfaces make it suitable for any type of business: retailers, stores, kiosks, etc.

Value for price

It can easily be the most suitable choice if the place has many sales points. Its low price in addition to full package of interfaces are the reason this cash register is still on big demand. All fiscal devices with Bluetooth have application for OS Android, which enables the customer to control the devices directly from smart phone or tablet.
